

PrintMart — WhatsApp Templates Guide

Step-by-step guide to create and submit all required message templates on Meta Business Manager

WhatsApp Business
Number
+91 93701 95000
Prepared: June 2026

Important: Templates marked **Must** are required for core features (OTP & password reset) to work. Submit Authentication templates first — they are usually approved within **1 hour**. Utility templates take **24–48 hours**.

Submission Priority

Priority	Template Name (exact)	Category	Used For	Approval Time
Must	printmart_account_verification	Authentication	OTP for email/account verification via WhatsApp	~1 hour
Must	printmart_password_reset	Authentication	RESET command — temp password delivery	~1 hour
Next	printmart_welcome_buyer	Utility	Welcome message after buyer registers via WhatsApp	24–48 hrs
Next	printmart_welcome_seller	Utility	Seller account activation with temp password	24–48 hrs
Later	printmart_new_inquiry	Utility	Push new buyer inquiry to seller (outside 24h window)	24–48 hrs
Later	printmart_order_confirmed	Utility	Order confirmation push to buyer	24–48 hrs

How to Create a Template on Meta Business Manager

1. Go to **business.facebook.com** → select your Business account
2. Left sidebar → **WhatsApp** → **WhatsApp Accounts** → click your account → **Manage**
3. Click **Message Templates** in the left menu → click **Create Template**
4. Choose **Category** (Authentication or Utility), enter the **Template name** exactly as shown, choose **Language: English**
5. Enter the **Body text** exactly as shown below. Use `{{1}}`, `{{2}}` for variables — do not change curly braces
6. Add **Buttons** as specified (Quick Reply or Copy Code)
7. Click **Submit** and wait for approval email/notification
8. Once approved, the template name in our system code will automatically start working
